Subject: FOSSUK ACCOUNTS AUDIT

This is to confirm that I reviewed the annual accounts of the Federation of Swiss Societies on the 16th November 2020 with the Honorary Treasurer, Loredana Guetg-Wyatt. My review included verification of cash movements and balances with reference to Bank statements and online banking. For all cash movements third party evidence was sought to validate both the amounts and the type of expense / income. Following this review I had no reason to doubt the veracity of the accounts as presented.

Yours truly
